Subject: Change for the Eco-Natural Skin Care Australia Trade Show Promotion Project

Good morning Con,

Great work so far on the Eco-Natural Skin Care Trade Show Promotion Project. Well done.

I have been very impressed with the large screen computers at competitors trade show exhibits, which featured videos, and the ability to access the company's website.

Given the work we have done with the website I feel we should take the opportunity to feature it in our display booth, making the experiences more engaging. I would like to incorporate a large screen computer into our Trade Show Promotion Project.

I have enquired with Bill Bixby, from Booth, banners, fliers and more Trade Show Services, who has assured me this is possible. Bill informs me that this will add an extra \$1,000, to the cost of the booth which I am approving to add to the existing budget. The project timeframe will need to be extended by one week.

Please complete the relevant documentation and forward it to me for signing off.

Kind Regards,
Sarah Seeward
