ASSESSOR GUIDE

ACMSUS201 Participate in environmentally sustainable work practices
VERSION 1 Page 1 of 5

Task overview

This assessment task includes 6 quiz questions. Read each question carefully before typing your response in the space provided. To achieve a satisfactory for this assessment, all 6 questions must be answered correctly.

This unit of competency consists of 2 knowledge assessments completed in this module.

In addition to the Structured Workplace Learning and Assessment (SWLA).

You must complete both sets of assessments related to this unit to be deemed competent.

Assessment Information

Submission

You are entitled to three [3] attempts to complete this assessment satisfactorily. Incomplete assessments will not be marked and will count as one of your three attempts.

All questions must be responded to correctly to be assessed as satisfactory for this assessment.

Answers must be typed into the space provided and submitted electronically via the LMS. Hand-written assessments will not be accepted unless previously arranged with your assessor.

Reasonable adjustment

Students may request a reasonable adjustment for assessment tasks.

Reasonable adjustment usually involves varying:

- the processes for conducting the assessment [e.g. allowing additional time]
- the evidence gathering techniques [e.g. oral rather than written questioning, use of a scribe, modifications to equipment]

However, the evidence collected must allow the student to demonstrate all requirements of the unit.

Refer to the Student Handbook or contact your Trainer for further information.

Please consider the environment before printing this assessment.
