TREATY OF WAITANGI

This document is referred in the Grading Criteria (rubrics) and contains industry standard best practice.
You are highly encouraged to follow these practices and incorporate them in the assessments in order to produce high quality work and achieve competency or higher grades in this course.

When planning and producing a web project at Yoobee School of Design, you should:

- Consider promotion of the Māori language and culture through inclusion

- Incorporate aspects of te ao Māori (the Māori World)

- Ensure Tikanga Māori (the Māori "way") is valued and promoted

- Provide opportunities for users to read and use te reo Māori (the Māori language)

- Where possible, consult the Māori community and call on their expertise to provide advice and guidance

- Endeavour to ensure Māori are well represented in your design

- Give particular consideration to the three principles of the Treaty of Waitangi – partnership, participation and protection
